Re: Sun Chase Condominium - Pool

Official Notice of Sanitary Violation

Dear Ms. Colton:

Recently personnel from the City of Springfield, Water Pollution Control Section, became involved with the Sewer Billing Section as to whether or not the swimming pool filter backwash at the Sun Chase Condominiums was connected to the sanitary sewer. Water Pollution personnel investigated the situation and the filter backwash does not discharge to the sanitary sewer.

Please be advised that such a discharge is in violation of Chapter 30 of the City Code of Springfield. The above mentioned discharge shall be attached to the sanitary sewer within 30 days after receipt of this notice.

If you have any questions feel free to call at 864-1924.

Yours truly,

Gene Pabat
Water Pollution Control Inspector III
Surveillance & Enforcement

RE: Sun Chase Condominiums

Official Notice of Sanitary Violation

Dear Mr. Short:

As you know, on November 10, 1986, the Sun Chase Condominiums received an official notice of sanitary violation because filter backwash from the swimming pool was draining out onto the ground instead of being properly disposed of in the sanitary sewer.

You called the Water Pollution Control office on November 14, 1986, and asked if you could wait until the spring to attach the filter backwash to the sewer because the pool was closed for the winter. This office approved your request at this time.

Recently personnel from this office have observed that this discharge is still draining out on the ground. Please be advised that such a discharge is a violation of Chapter 30 "Wastewater Regulations" of the Springfield City Code, specifically section 30-11 "Waste Disposal," which states:

It shall be unlawful for any person to place, deposit, cause, or permit to be deposited in any unsanitary manner upon public or private property within the City or in any area under the jurisdiction of the City, any domestic waste, garbage, pollutant, or other objectionable waste.

The above mentioned discharge shall be attached to the sanitary sewer within 15 days after receipt of this notice.

If you have any questions feel free to call at 864-1924.

Yours truly,

Karen Chandler
